

Life Cycle of an SCR

Industrial Security Webinar Series

Learn @ Lunch

“Lifecycle of an SCR”

Learn @ Lunch

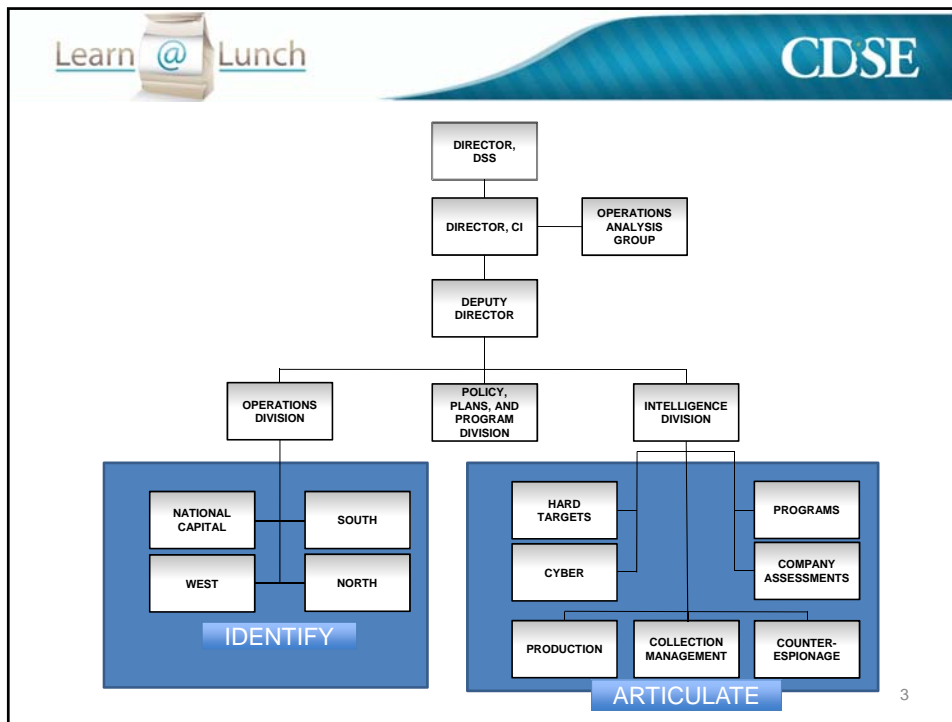

CDSE

Agenda

1. Introduction
2. DSS CI Directorate
3. What is Counterintelligence (CI)?
4. Identifying Suspicious Contacts
5. DSS Reporting Definitions
6. DSS Reporting Process
7. Finished Intelligence Products
8. Additional Information

2

Life Cycle of an SCR

Learn @ Lunch CDSE

What is Counterintelligence?

- Information gathered and activities conducted to identify, deceive, exploit, disrupt, or protect against:
 - Espionage
 - Other Intelligence activities
 - Sabotage
 - Assassinations
- Conducted by, for, or on behalf of:
 - Foreign powers
 - Foreign governmental and commercial organizations
 - Foreign persons or their agents
 - International terrorist organizations

4

Life Cycle of an SCR

Learn @ Lunch CDSE

Industry – First Line of Defense

Friendly Information

Research, development, testing, and evaluation

Program milestones & specifications

System capabilities

5

Learn @ Lunch CDSE

Industry – First Line of Defense

Foreign entities will also target information relating to your facility's personnel, security, and operations

YOU are the first line of defense in protecting classified information and defense technologies!

6

Learn @ Lunch 

1-302 Reports to be Submitted to the CSA

a. Adverse Information.

- ...concerning any of their cleared employees
- ...not based on rumor or innuendo
- ...subsequent termination of employment of an employee does not obviate the requirement to submit this report

7

Learn @ Lunch 

1-302 Reports to be Submitted to the CSA

b. Suspicious Contacts

- ...efforts by any individual, regardless of nationality, to obtain illegal or unauthorized access to classified information or to compromise a cleared employee
- ...all contacts by cleared employees with known or suspected intelligence officers from any country, or any contact which suggests the employee concerned may be the target of an attempted exploitation by the intelligence services of another country shall be reported

Identifying Suspicious Contacts

A man in a dark suit and orange shirt is sitting at a white desk with a computer monitor and keyboard. He is holding binoculars to his eyes, looking upwards. The background is a plain white wall.

9

Learn @ Lunch CDSE

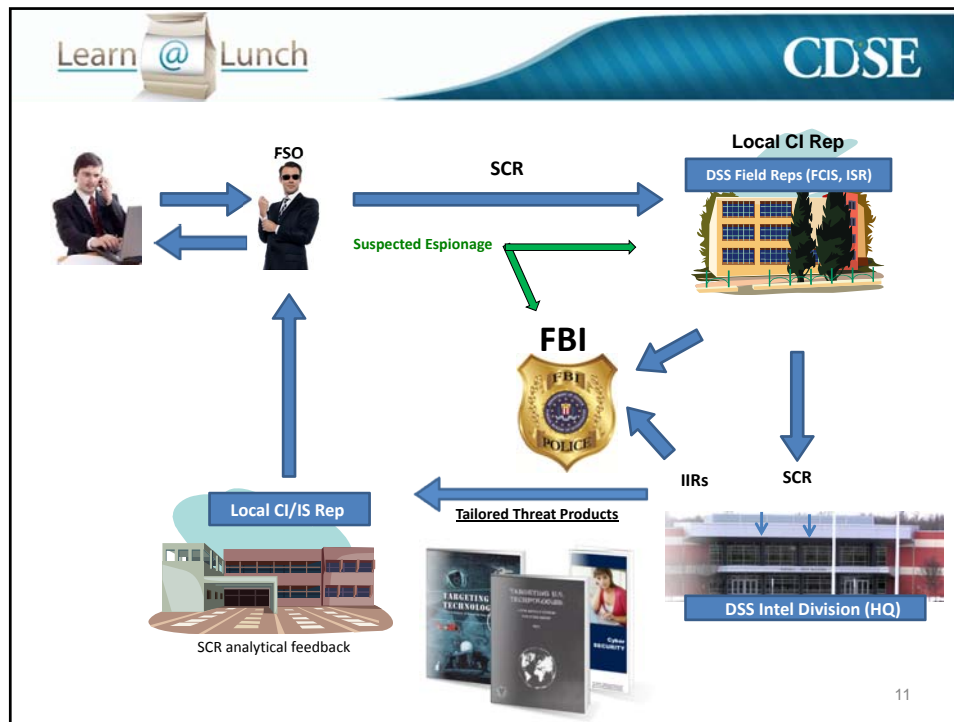

DSS Reporting Definitions

DSS sorts reports into three distinct categories:

- Suspicious Contact Report (SCR)
- Unsubstantiated Contact Report (UCR)
- Assessed No Value (ANV)

10

Life Cycle of an SCR

Learn @ Lunch **CDSE**

Roles – The Facility Security Officer

- Facilitates communication between DSS and cleared facility
- Promotes CI awareness at cleared facility
- Pass suspicious contact information to DSS representative in a timely manner
 - FCIS, ISR, ISSP
- Receives SCR feedback and DSS finished analytic products

12

Life Cycle of an SCR

Learn @ Lunch 

Roles – The Field CI Specialist

- Receives suspicious contact from FSO/ISR/ISSP
- Determines if contact is:
 - SCR
 - UCR
 - ANV

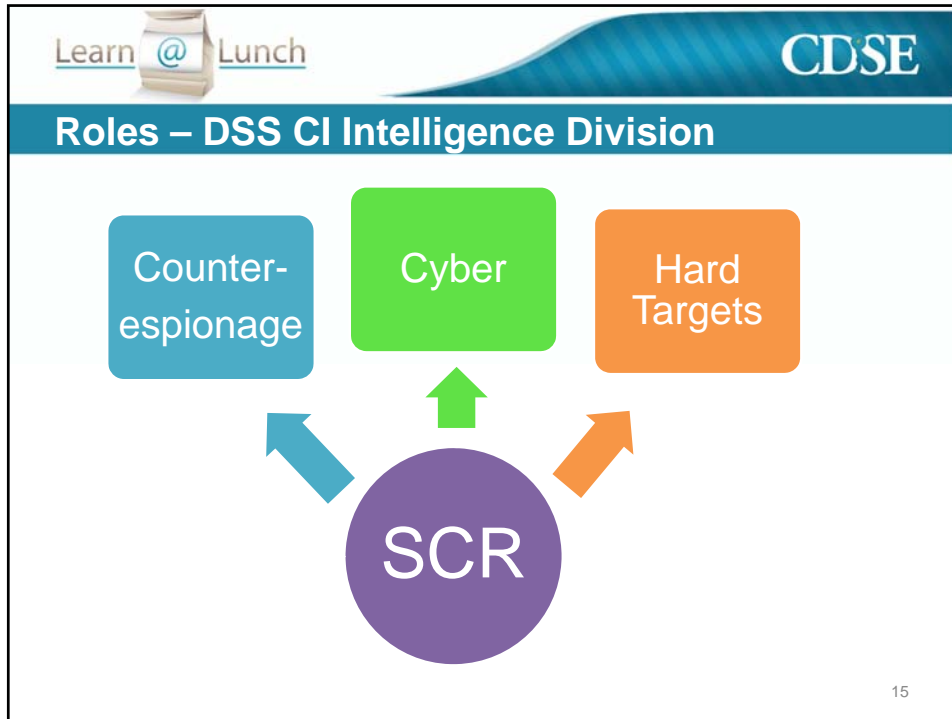

Learn @ Lunch 

Roles – The Field CI Specialist

- If determined to be of CI value:
 - Information is captured in a report and forwarded to CI headquarters for research and analysis
- Has the option of generating an immediate local referral to respective U.S. Government agency or agencies based on applicability and time sensitivity

14

Life Cycle of an SCR

- Learn @ Lunch CDSE
- ## Roles – DSS CI Intelligence Division
- Analysts conduct research and analysis
 - Generate an analytic response
 - Generate a referral at the national level if required
 - Forward findings to FCIS for dissemination
-
- An illustration of a magnifying glass with a black handle and silver frame, positioned over a white document with a grid of small circles, symbolizing analysis or investigation.
- 16

Life Cycle of an SCR

Learn @ Lunch 

Roles – DSS CI Operations Division

- Conduct research on suspicious contacts
- Provide referrals
- Provide liaisons
- Perform outreach
- Contribute to policy discussions and de-confliction/synchronization efforts
- Develop monthly reporting metrics
- Provide final case disposition
- General administrative and logistics support

17

Learn @ Lunch 

Roles – Operations Analysis Group

- Established on June 15, 2010
- Drive collaboration and information sharing across the agency
- Representatives from:
 - CI, ISFO, DISCO, FOCL, and IP
 - Under OAG leadership
- Meet daily to address high profile reports
- Examine reports to determine vulnerability-internal and external
- Resolutions include DSS process improvements

18
