Insider Threat for DoD

Insider Threat Policy:

- DoDD 5205.16
- National Minimum Standards
- Additional Requirements
- DoD Implementation Plan

 **Insider Threat for DoD** 

DoD Directive 5205.16 

- Sets baseline policy for the program
- DoD will implement National insider threat policy
- Assigns responsibilities: OSD staff, DSS, DIA, & Component Heads
- Applies to DoD Components, contractors or other non-DoD entities
- Principal Task: DoD will establish an insider threat program – to collect, integrate, review, assess, and respond to information to identify, mitigate and counter insider threats
- Make available required insider threat training
- Does not negate other reporting responsibilities in other issuances
- Policies throughout the DoD must be evaluated & modified to facilitate “hub” operations

 **Insider Threat for DoD** 

DoD Directive 5205.16 

- Must handle/protect data IAW privacy, civil liberties, and whistleblower policies & laws
- Component Heads must:
 - Implement the National minimum program standards
 - Establish a multi-disciplinary threat management capability (e.g. TMU or “hub”) to integrate the monitoring, analysis, reporting, and response to insider threats
 - The TMU/hub must have input/advice from a spectrum of SMEs
 - Conduct self-assessments
 - Verify contractor & non-DoD entity program compliance

8

 **Insider Threat for DoD** 

Minimum Standards for Insider Threat Programs

- Designate a Senior Official
- Establish a TMU/hub to identify, mitigate & counter insider threats.
- Train personnel working in the TMU/hub/activity
- Establish procedures for the secure sharing of information; facilitate access
- Monitor user activity on classified networks
- Provide initial and annual refresher insider threat awareness training
