

YOU HAVE THE EXPERIENCE. **NOW EARN THE CREDENTIAL.**

## **CERTIFICATION CONFIRMS COMPETENCY**

With SPeD Certification, security professionals demonstrate their mastery of the knowledge and skills required to protect our nation's assets. Certified security professionals have taken the extra step to validate their competency and provide the foundation for their career success.

Visit [www.cdse.edu/certification](http://www.cdse.edu/certification) to learn more about becoming a certified security professional.
