

Metrics for a More Secure Industrial Security Program

DEFENSE COUNTERINTELLIGENCE AND SECURITY AGENCY

Lissa Kimball
Andrew Parker

What Metrics are Collected

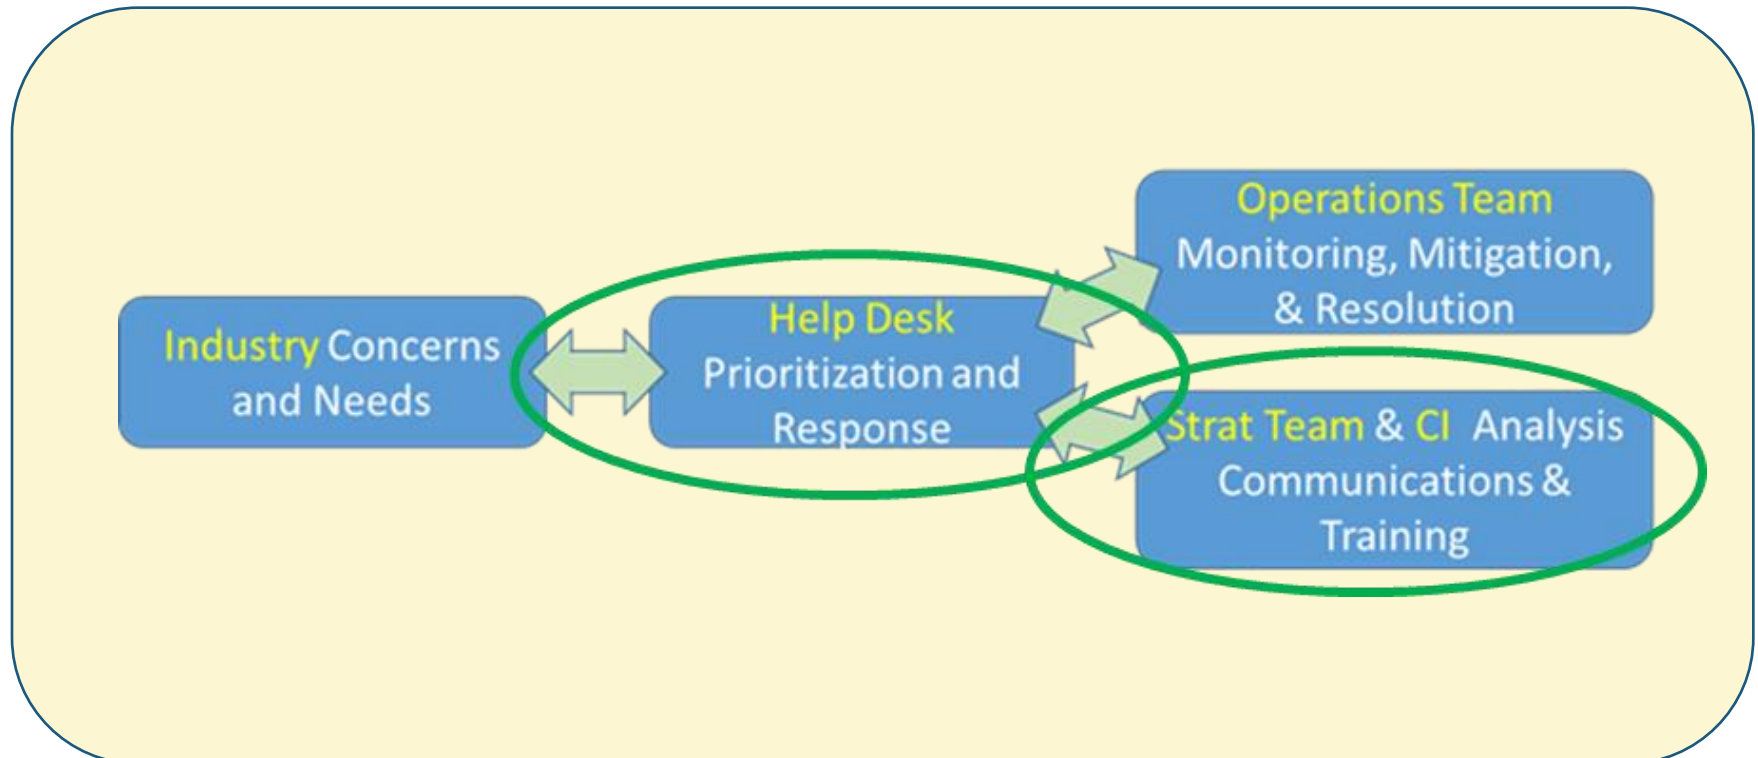

- Just what *are* metrics?
- What metrics are useful at the National Access Elsewhere Security Oversight Center (NAESOC)?

How It's Done

What does the NAESOC do differently for facilities that are enrolled in it for oversight?

NAESOC Design: [Help Desk](#), Ops Team, [Strat Team](#), [CI Support](#)

How They Are Used

- Establish baselines
- Identify trends
- Zero-In on *Outliers*
- Identify Risk and Propose Mitigation

What You Get

- Targeted attention for your program
 - Metrics can uncover underlying risk and trigger engagements
- Lessons learned from programs like yours
 - FAQs
 - Resources posted on the web page
- Information and tools you can use
 - Webexes
 - Other presentations made available

Products Delivered to You

Information at Your Fingertips

- Website updates
- Specific job aids and templates

<https://www.dcsa.mil/mc/ctp/naesoc/>

- Webinars
- Webcast recordings

<https://www.cdse.edu/Training/Webinars-and-Conferences/Webinar-Archive/>

The screenshot shows the DCSA website's NAESOC page. It features a navigation bar with links like HOME, ABOUT US, MISSION CENTERS, INFORMATION SYSTEMS, CAREERS, and CONTACT US. The main content area is titled 'NAESOC' and describes the National Access Elsewhere Security Oversight Center. It includes a diagram with four boxes: 'NSIP Skills Matrix', 'NSIP Phone', 'NSIP Email', and 'NSIP Meeting'. Below the diagram, there is a section for finding out if a facility is assigned to the NAESOC, with instructions to check with the Facility Security Officer (FSO) or visit the NAESOC resources page.

The screenshot shows the CDSE website's Webinar Archive page. It features a navigation bar with links like HOME, TRAINING, WEBINARS AND CONFERENCES, and WEBINAR ARCHIVE. The main content area is titled 'Webinar Archive' and includes a search bar and a 'Log In' button. Below the title, there is a list of webinars and webcasts, categorized into 'Counterintelligence' and 'Cybersecurity'. The 'Counterintelligence' section lists items like '2019 Targeting U.S. Technologies Report' and 'Counterintelligence and Insider Threat in the Time of COVID-19'. The 'Cybersecurity' section lists items like 'Assessment and Remediation using the SCAP Tool' and 'Best Practices and Vulnerabilities for Privileged Accounts'.

Getting the Most from Metrics (Reporting)

NAESOC Knowledge Center: 1(888) 282-7682, option 7 (NAESOC)
and/or email:

Include Facility Name & CAGE Code on the SUBJECT LINE:

For General Questions/Feedback: dcsa.naesoc.generalmailbox@mail.mil

To report *Changed Conditions*: Create a changed condition package in the National Industrial Security System (NISS). If you have an upcoming changed condition, or have questions regarding submitting a changed condition package, email the General Mailbox above.

To report *Security Violations*: NISS Messenger labeled “Message My ISR.”
