| Adverse Information              | Any information that negatively reflects on the integrity or character of a cleared employee that suggests his or her ability to safeguard classified information may be impaired, that his or her access to classified information may not be in the interest of national security, or that the individual constitutes an insider threat. Reporting should be based on references in SEAD 4, National Security Adjudicative Guidelines. Some examples include:  
  * Allegiance to the United States  
  * Foreign influence/preference  
  * Personal conduct  
  * Financial considerations  
  * Drug involvement/substance misuse  
  * Criminal conduct  
  * Use of information technology | Appropriate function in the DOD Personnel Security System of Record (i.e., Incident Report in Defense Information System for Security (DISS)) | Vetting Risk Operations (VRO)                                             |
| **Do not report information based on rumor or innuendo.** |                                                                              |                                                                              |                          |

This job aid provides guidance to assist contractors with general examples for reporting. Please refer to the National Industrial Security Program Operating Manual (NISPOM) and the Security Executive Agent Directive (SEAD) 3 for an entire list of reportable activities and reporting requirements (located in the CDSE FSO Toolkit).

|------------------------------------------------------|-------------------------------------------------------------------------------|------------------------------------------------------------------------------|------------------|
| Change in Status of Employee Determined Eligible for Access to Classified Information | The following changes in the personal status include:  
  - Death  
  - Change in name  
  - Termination of employment  
  - Change in citizenship | Enter changes as applicable in the DOD Personnel Security System of Record (i.e., DISS) | VRO              |
| Citizenship by Naturalization                       | If a non-U.S. citizen employee granted a Limited Access Authorization (LAA) becomes a citizen through naturalization, the report will include:  
  - City, county, and state where naturalized  
  - Date naturalized  
  - Court  
  - Certificate number | Appropriate function in the DOD Personnel Security System of Record (i.e. Customer Service Request (CSR) in DISS) | VRO              |
| Employees Desiring Not To Be Processed For A National Security Eligibility Determination or Not To Perform Classified Work | • Any employee who no longer wishes to be processed for a determination of eligibility for access to classified information  
  • Any employee who no longer wishes to continue having access to classified information | Enter the reason in the appropriate function in the DOD Personnel Security System of Record (i.e. CSR in DISS) | VRO              |
| Refusal to sign Standard Form (SF) 312 Classified Information Nondisclosure Agreement (NDA) | An employee refuses to sign the SF 312, Classified Information Nondisclosure Agreement, or other approved NDA | Enter the reason in the appropriate function in the DOD Personnel Security System of Record (i.e. CSR in DISS) | VRO              |
| Individual Culpability                             | The determination of an individual’s responsibility for a security violation can be determined when one or more of the following factors are evident:  
  - Deliberate disregard of security requirements  
  - Negligence in the handling of classified material | Appropriate function in the DOD Personnel Security System of Record (i.e., Incident Report in DISS) | VRO              |
This job aid provides guidance to assist contractors with general examples for reporting.
