## BOOK

From the publisher of Pete Simi and Robert Futrell’s book, **American Swastika: Inside the White Power Movement’s Hidden Spaces of Hate, Second Edition**, “The book takes readers through hidden enclaves of hate, exploring how white supremacy movements thrive nationwide and how we can work to prevent future violence. Filled with powerful case studies, interviews, and first-person accounts, the book explains the differences between various hate groups, then shows how white supremacy groups cultivate their membership through Aryan homes, parties, rituals, music festivals, and online propaganda.”
