

New Products (First Quarter FY21)

Background

The Center for Development of Security Excellence (CDSE) is a nationally accredited, award-winning directorate within the Defense Counterintelligence and Security Agency. CDSE provides security education, training, and certification products and services to a broad audience supporting the protection of national security and professionalization of the Department of Defense (DOD) security enterprise.

CDSE Content Areas: Counterintelligence, Cybersecurity, General Security, Industrial Security, Information Security, Insider Threat, Operations Security, Personnel Security, Physical Security, and Special Access Programs

Highlight Summary

CDSE provides courses and products that keep pace with changing policies and evolving security environments. During the first quarter of FY21, CDSE released the following:

- **New Posters:** Industrial Security, Insider Threat
- **New Courses:** Industrial Security, Information Security, Personnel Security
- **New Security Awareness Games:** Cybersecurity
- **New Security Videos:** Insider Threat
- **New Webinars:** Industrial Security, Insider Threat
- **New Job Aids:** Industrial Security
- **New Case Studies:** Insider Threat

NEW!!

Training Products

Security Posters

Available to download and promote security awareness in the workplace.

- **Industrial Security Posters**
Created to promote security awareness and motivate new FSOs to enroll in the Getting Started Seminar for New FSOs 121.10 to enhance the overall understanding of the NISP
<https://www.cdse.edu/resources/posters-industrial-security.html>
- **The Cultural Iceberg and Insider Risk**
Mitigate risk with Cultural Awareness
https://www.cdse.edu/documents/security_posters/small/CulturalIceberg.pdf

Courses

Training to keep security professionals updated on security policy and procedures, delivered online or in-person.

- **Getting Started Seminar for FSOs**
 This year's Getting Started Seminar for New Facility Security Officers (FSOs) has moved to an entirely virtual platform, consisting of four, 4-hour sessions over four days. This course is not only a great way to get started as a new FSO, but also a way for experienced FSOs to keep informed of policy changes, procedural changes, emerging trends, threats, concerns, etc. Students work in collaboration with other security professionals, exploring security topics through practical exercises.
<https://www.cdse.edu/catalog/vil/IS121.html>
- **Clearances in Industrial Security: Putting it All Together IS125.16**
 This newly updated course provides students with a high level overview of personnel security clearances, facility clearances, and Foreign Ownership, Control, or Influence (FOCI).
<https://www.cdse.edu/catalog/elearning/IS125.html>
- **Unauthorized Disclosure (UD) of Classified Information and Controlled Unclassified Information (CUI) IF130.16**
 This course provides an overview of what unauthorized disclosure is, including specific types of unauthorized disclosure and some common misconceptions about unauthorized disclosure. This course will also discuss the types of damage caused by unauthorized disclosure and the various sanctions one could face if caught engaging in unauthorized disclosure.
<https://www.cdse.edu/catalog/elearning/IF130.html>
- **Fundamentals of National Security Adjudications (formerly known as DoD Personnel Security Adjudications) PS101.10**
 This course covers the fundamentals of the personnel security program, such as, history, laws, and regulations; personnel security investigations; security clearances; and sensitive positions. Students will discuss the role of adjudicators along with investigative, counterintelligence, and law enforcement personnel in the personnel security program. Students will also review the process for making national security determinations through the consistent application of policy guidelines. This course contains extensive exercises in identifying and resolving personnel security issues.
<https://www.cdse.edu/catalog/vil/PS101.html>
- **Advanced National Security Adjudications (formerly known as DoD Advanced Personnel Security Adjudications) PS301.10 VILT**
 This course provides an in-depth study of the basis and application of due process in unfavorable national security determinations. The course emphasizes evaluation and resolution of complex and multiple issue cases.
<https://www.cdse.edu/catalog/vil/PS301.html>
- **Introduction to National Security Adjudications PS001.18**
 This course introduces students to the national adjudicator's role and function in the Personnel Security Program (PSP). Students will learn the principles and concepts of the Federal Government's PSP and how adjudicators recognize and mitigate threats to our national security. The course examines the core components of the PSP, to include the PSP's legal and regulatory framework, position designations and special access requirements, the Federal Investigative Standards, and the National Security Adjudicative Guidelines. The main focus of the course is to introduce the students to the thirteen National Adjudicative Guidelines and how they are used to make determinations for eligibility for access to classified information.
<https://www.cdse.edu/catalog/elearning/PS001.html>
- **Introduction to Personnel Security PS113.16**
 This course introduces the management practices and procedures required to administer the DOD Personnel Security Program (PSP) at the military base/installation level. The course provides an overview of the elements of the PSP, to include: designation of sensitive duties, investigative and adjudicative practices, security officer responsibilities under the PSP one-time access requirements, special security program requirements, and due process procedures. The course identifies the types of personnel security investigations (PSIs), the position sensitivity or duties associated, and the agency authorized to conduct PSIs.

Security Awareness Games

Quick and easy ways to test your knowledge and encourage security awareness at your organization.

- **Cyber Terminology Word Search**
This performance support tool tests your knowledge of Cyber terminology and enhances your security awareness.
<https://www.cdse.edu/toolkits/cybersecurity/training.html>
- **#BeCyberSmart Crossword Puzzle**
This performance support tool enhances your overall Cybersecurity awareness.
<https://www.cdse.edu/toolkits/cybersecurity/training.html>
- **I'll Take Cyber Jeopardy**
This performance support tool tests your knowledge of Cybersecurity and enhances Cyber awareness.
<https://www.cdse.edu/toolkits/cybersecurity/training.html>

Security Video

Allow security professionals to refresh their knowledge of a critical topic or quickly access information needed to complete a job.

- **Cultural Awareness in the Workplace**
Cultural Awareness is critical for any workforce that seeks to yield positive outcomes. Watch this video to learn about cultural awareness in the workplace.
<https://www.cdse.edu/micro/cultural-awareness.html>
- **Military Virtual Cultural Awareness Training (VCAT)**
Cultural Awareness is especially crucial for America's warfighters. Watch this video to see one of the Department of Defense's approaches to building cultural awareness and reducing risk in culturally diverse environments.
<https://www.cdse.edu/micro/vcat.html>

Webinars

A series of recorded, live web events that address topics and issues of interest to defense security professionals.

- **National Access Elsewhere Security Oversight Center (NAESOC), Now What?**
The session is designed to reach those in industry who are assigned to the NAESOC and to discuss the current state of the NAESOC, FY21 plans, and have subject matter experts available to answer any questions they may have.
<https://www.cdse.edu/catalog/webinars/industrial-security/naesoc-now-what.html>
- **Know Your CDSE: Industrial Security**
View this recorded event to learn about CDSE's many Industrial Security courses, performance support tools, and resources available to develop and enhance your Industrial Security knowledge and skills.
<https://www.cdse.edu/catalog/webinars/industrial-security/know-your-cdse.html>
- **Cultural Awareness and Insider Threat**
This event is a live discussion with guest speakers Ms. Nazaret Berhane, Diversity and Inclusion Coordinator with the Federal Bureau of Investigation, and Mr. Gregory Collins, Insider Threat Program Officer with the Department of State, on cultural awareness in a security environment and the role it can play in either mitigating or exacerbating risk.
Not recorded per guest speaker request.

Job Aids

Security products designed to provide guidance and information to perform specific tasks

- **2021 Industrial Security Program Annual Planner**
This job aid serves as a supplemental tool to help support and grow industrial security training and awareness within your organization. It is a combination of performance support tools selected from various security content areas that comprise the industrial security discipline that you can utilize to promote security awareness throughout the year on a monthly basis.
<https://www.cdse.edu/documents/cdse/Industrial-Security-Program-Annual-Planner.pdf>
- **Establishing Prevention, Assistance, and Response (PAR) Capabilities**
This job aid explains what Prevention, Assistance, and Response (PAR) Capabilities are and provides an example of how to implement them.
<https://www.cdse.edu/documents/resources/INTJ0156-par.pdf>
- **Tales from the Insider Volume IV**
Everyone needs help sometimes. This job aid provides vignettes of real-world events and highlights a positive outcome of insider threat program risk mitigation. The names of all subjects and the organization have been anonymized to protect privacy.
<https://www.cdse.edu/documents/cdse/tales-from-the-inside-vol-4-jobaid.pdf>

Case Studies

Analyzed accounts of real-world security activities, events, or threats.

- **Henry Frese**
Crime: Unauthorized Disclosure
<https://www.cdse.edu/resources/case-studies/case.html?Frese>
- **Stephen Kellogg III**
Crime: Espionage
<https://www.cdse.edu/resources/case-studies/case.html?Kellogg%20III>
