

The Center for Development of Security Excellence (CDSE) is a nationally accredited, award-winning directorate within the Defense Counterintelligence and Security Agency. CDSE provides security education, training, and certification products and services to a broad audience supporting the protection of national security and professionalization of the Department of Defense (DOD) security enterprise.

## CDSE Content Areas:

- Counterintelligence
- Cybersecurity
- General Security
- Industrial Security
- Information Security
- Insider Threat
- Operations Security
- Personnel Security
- Physical Security
- Special Access Programs

CDSE provides courses and products that keep pace with changing policies and evolving security environments. During the third quarter of FY23, CDSE released the following:

## NEW TRAINING PRODUCTS!

### Courses

*Training to keep security professionals updated on security policy and procedures, delivered online or in-person*

#### **Updated Safeguarding Classified Information in the National Industrial Security Program (NISP) (IS109.16 eLearning course)**

This updated course introduces policy, documentation, preparation, and procedures for safeguarding classified information for contractors participating in the NISP. Updates to this course include open storage area requirements and safeguarding procedures for classified information.

<https://www.cdse.edu/Training/eLearning/IS109/>

#### **Updated National Industrial Security Program (NISP) Self-Inspection (IS130 eLearning course)**

This updated course introduces the requirements, preparations, methods, and activities involved when performing a self-inspection, and actions to take once it is complete. This course was updated to align with latest DCSA Self-Inspection Handbook.

### Webinars

*A series of recorded, live web events that address topics and issues of interest to defense security professionals*

#### **Radicalization to Terrorism: Psychological Processes and Research Updates**

There are 12 mechanisms that can move individuals, groups, and mass publics from political indifference to sympathy and support for terrorist violence. This overview synthesizes original research by Dr. Sophia Moskalenko and will allow participants a better understanding of terrorism in where it comes from and how best to respond to it.

<https://www.cdse.edu/Training/Webinars-and-Conferences/Webinar-Archive/CDSE-Insider-Threat-Radicalization-to-Terrorism/>

#### **Insider Risk & Security Clearance Adjudications**

Recent advances in the security clearance adjudication process have resulted in significant improvements in evaluation and adjudicating concerning behaviors. This webinar provides important updates to Insider Threat professionals on the adjudication process and educates attendees regarding how to effectively collaborate with the Consolidated Adjudication Services (CAS) when considering mitigation strategies.

## Posters

*Security products designed to provide quick reminders on specific issues or events.*

### **Moving Towards Success**

This poster serves as a supplemental tool to remind team members that being informed of current conditions keeps you moving towards success.

<https://www.cdse.edu/Training/Security-Posters/Industrial-Security/Article/2753943/moving-towards-success/>

### **Supporting Through Reporting**

This poster serves as a supplemental tool to remind team members of whom should you report an Insider Threat.

<https://www.cdse.edu/Training/Security-Posters/Insider-Threat/Article/3377552/insider-threat-supporting-through-reporting/>

## Job Aids

*Security products designed to provide guidance and information to perform specific tasks*

### **Honor in Hindsight: Facilitation Guide**

This job aid serves as a companion document to the third season of the Insider Threat Vigilance Video Series. In Season 3 of the CDSE Insider Threat Vigilance Video Series, Army Staff Sergeant Gary Latimore suffers a career setback that causes him to become increasingly alienated at work and home.

<http://www.cdse.edu/Portals/124/Documents/jobaids/insider/Honor-in-Hindsight-facilitated-discussion-guide.pdf>

### **How to Receive and Maintain Your National Security Eligibility**

This updated personnel vetting job aid breaks down the national security eligibility process to include position designation, adjudicative guidelines, due process, continuous evaluation, and self-reporting.

## Toolkits

*Security products designed to quickly point you to the resources you need to help you perform your roles.*

### **Unauthorized Disclosure**

this updated toolkit includes links for reporting unauthorized disclosure, updated case studies, the revised DOD Unauthorized Disclosure Desk Reference, and the revised CDSE job aid, "How to Respond to an Unauthorized Disclosure (UD) of Classified and Controlled Unclassified Information (CUI).

<https://www.cdse.edu/Training/Toolkits/Unauthorized-Disclosure-Toolkit/>

## Security Videos

*Security training videos that explain important principles and tasks in about 5-10 minutes.*

### **Workplace Toxicity**

Workplace toxicity, or a toxic work environment, is an environment where employees are subject to antagonistic behavior, harassment, bullying, hostility, and/or discrimination. Watch the video below to see what United States Postal Service employees are facing and feeling within their organization's culture.

<https://www.cdse.edu/Training/Security-Training-Videos/Insider-Threat-Training-Videos/Workplace-Toxicity-and-Insider-Threat-Programs/>

## Case Studies

*Real-world case studies that explore the crimes, the sentences, the impact, and the potential risk indicators.*

### **Aaron Alexis**

Targeted Violence
