

INSIDER THREAT DIVISION

CENTER FOR DEVELOPMENT OF SECURITY EXCELLENCE (CDSE)

DEFENSE COUNTERINTELLIGENCE AND SECURITY AGENCY

LEADERSHIP ON NITAM

Under Secretary of Defense
for Intelligence and Security,
Ronald S. Moultrie

“Increasing the workforce's awareness of manipulated information and attempts at online social engineering is critical to ensuring our trusted workforce remains resilient and vigilant against these threats.”

The Virtual Counter-Insider Threat (C-InT) Social & Behavioral Science (SBS) Summit 2022

Registration is Open

The Threat Lab and the National Insider Threat Task Force (NITTF) are proud to announce the third annual Virtual C-InT SBS Summit in September 2022. Join other C-InT Community of Practice professionals for 30 days of inspirational keynote sessions, informative webcasts, and in-depth looks at hot topics related to Cognitive Immunity relevant to Counter-Insider Threat professionals' efforts to detect, mitigate, and prevent concerning behavior. To learn more about Cognitive Immunity, view the foundational videos below.

The Virtual C-InT SBS Summit, a 30-day virtual education, awareness, and training event, is our contribution to National Insider Threat Awareness Month.

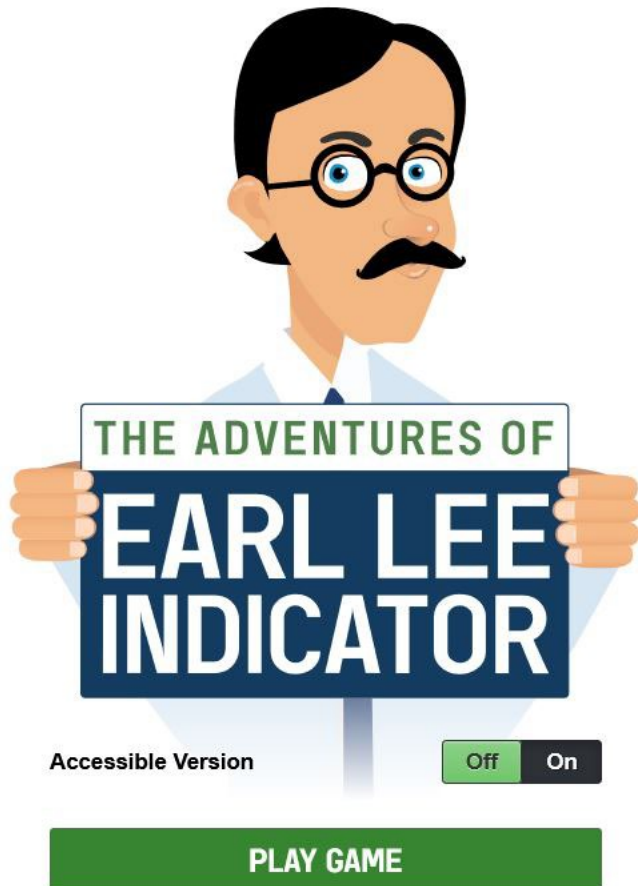

Please note that if you were registered for a previous summit, you will need to register again for this year.

Register now for the Virtual C-InT SBS Summit 2022

WEBINARS

A dark-themed banner for a webinar. On the left, the text "NITAM National Insider Threat Awareness Month" is displayed in white. Below it, "DISINFORMATION AND INSIDER THREAT" is written in large, bold, yellow letters. At the bottom left, the date and time "Tuesday, September 13, 2022 | 12:00 pm to 1:00 pm ET" are shown in white. On the right side of the banner is a photograph of a man in a blue suit sitting at a desk with a laptop, looking stressed with his hand on his head.
