

# Know Your CDSE:

## Education

DEFENSE COUNTERINTELLIGENCE AND SECURITY AGENCY

**Scott Hill**  
Education Division Chief

# CDSE MISSION

Provide the DoD with a security center of excellence for the professionalization of the security community and be the premier provider of security education, training, and certification for the DoD and industry under the National Industrial Security Program (NISP). The CDSE provides development, delivery, and exchange of security knowledge to ensure a high-performing workforce capable of addressing our Nation's security challenges.

## TRAINING

Supporting today's security professionals and providing awareness to all

## EDUCATION

Developing future security leaders

## CERTIFICATION

Validating security professional achievement of skills and competencies

# AGENDA

- The CDSE Education Program
- Course Offerings
- Earning Specialized Education Certificates
- Our Students Speak
- Getting Started
- Staying Connected
- Questions

# OUR STUDENTS SPEAK

*“The class is presented in an easy to understand format which facilitates greater learning potential for students.”*

*“The content integrated throughout the course assisted in my everyday job duties. The assignments and forums helped me learn more about myself and other students in other security fields.”*

*“As a professional development manager for security, the course I took was directly related to my job. It helped me to focus my thoughts on the curriculum changes I want to make within the Army's SETA/Professionalization portfolio.”*

*“The networking aspects and the engagements with the instructor had great educational value.”*

# POLL QUESTION 3

**Are you currently enrolled in a security-related Master's Program at an accredited college or university?**

- a) Yes
- b) No
- c) Yes, and I also take CDSE Education Curriculum courses
