About Defense Security Service

Contributing To National Security

The Defense Security Service (DSS) is an agency of the Department of Defense (DoD) located in Quantico, Virginia with field offices throughout the United States. The Under Secretary of Defense for Intelligence provides authority, direction and control over DSS. DSS provides the military services, Defense agencies, 24 Federal agencies and approximately 13,300 cleared contractor facilities with security support services.

The Center for Development of Security Excellence (CDSE) is located in Linthicum, Md., and provides security education and training to security professionals through formal classroom and distributed learning methodologies (i.e., computer-based, web-based and tele-training).

DSS Mission

On behalf of the Department of Defense and other U.S. Government Departments and Agencies, the Defense Security Service supports national security and the warfighter through our security oversight and education missions. DSS oversees the protection of U.S. and foreign classified information and technologies in the hands of industry under the National Industrial Security Program (NISP) and serves as the functional manager for the DoD security professional development program. We provide security education, training, and professional development services as the functional manager for the DoD security professional development program, and for other U.S. Government personnel and contractor employees, and representatives of foreign governments, as required.

DSS Vision

Be the focal point of interaction and premier provider of industrial security and education services for the U.S. Government and the companies in the National Industrial Security Program in support of national security.
About CDSE

CDSE Mission

Provide the DoD with a security center of excellence for the professionalization of the security community and be the premier provider of security education and training for the DoD and industry under the National Industrial Security Program (NISP). The CDSE provides development, delivery, and exchange of security knowledge to ensure a high-performing workforce capable of addressing our Nation’s security challenges.

CDSE Vision

To be the premier provider and center of excellence for security education, training, and certification for the DoD and industry under the NISP.
About Education Division
The CDSE Education Division offers courses designed specifically to develop leaders for the DoD security community. These courses are similar in scope to college and graduate level courses. Most courses are a semester long. Courses are delivered using a collaborative online learning environment, making them available to U.S. military members and government employees worldwide. Some courses also include opportunities for mid-career security professionals to study and learn together in a classroom setting for part of the semester. No tuition or fees are required to take CDSE courses; however, some courses require the purchase of textbooks. For additional information about the Education Division please click here: http://www.cdse.edu/education.

About Training Division
The CDSE Training Division embraces the training challenges facing the DoD security community and our industry partners in the 21st century. The Training Division offers over 150 diverse training courses and products presented through a variety of learning platforms. CDSE courses and products continuously meet the needs of our target population and are streamlined to the performance requirements and busy schedules of the contemporary learner. The CDSE also offers credit recommendations for certain courses through its affiliation with the American Council on Education’s College Credit Recommendation Service (ACE CREDIT).

CDSE’s award-winning training reflects the expertise of knowledgeable security training professionals dedicated to producing and delivering effective, engaging training and associated resources, presented using cutting edge technology-based instruction methods, virtual environments, and eLearning courseware.

Courses and products are available across functional areas and through various delivery platforms; instructor-led, eLearning, podcasts, shorts, videos, webinars, resources and job aids.

About Certification Division
Workforce certification…the pathway to a successful and rewarding career in the DoD security environment. The Certification Division aligns security education, training, and certification products, services, activities, and initiatives providing a synchronized and systematic approach in providing career services that meet the needs of security practitioners, today and for the future. Oversight of the DoD Security Standards ensures that security practitioners receive the training, education, and certification development required to address the knowledge, tasks, and skills required to be able to perform.

CDSE products and services complement Component initiatives to professionalize the workforce. CDSE’s Outreach and Communication efforts strengthen the bonds with the DoD Security Enterprise by participation in and at security-themed workshops, events and conferences and continued liaison across the communities.

About Office of the Registrar
The administration and integration of the services provided by the CDSE Education, Certification, and Training Divisions are accomplished through the support offered by the Office of the Registrar. This office has administrative oversight of the Security Training, Education and Professionalization Portal (STEPP). STEPP is the gateway for students to access training and education courses and to establish interest in the SPēD certification program. STEPP is also the system the Registrar utilizes to provide a variety of student support services to our DoD security professional students. Those services include, but are not limited to, the collection, management, and maintenance of accurate student profile information; student academic and enrollment records; assisting students with registration matters; transcript requests; verifying eligibility status related to scheduling courses and assessments; and a host of other services.

Building Hours

Students can enter the building at any time between 0730 and 1700. Please enter from the front of the building and have a photo ID in hand for check-in on the first day of class. Classes end at approximately 1700.

Special Needs

The CDSE supports the Americans with Disabilities Act of 1990. Students, visiting instructors, and other CDSE guests with special needs should contact the CDSE 508 Program Manager by sending an email to dss.cdseenterprisemgmt@mail.mil.

Arrival/In-Processing

Photo identification (i.e., driver’s license or passport) is required for entry to the facility. Please arrive 15 to 30 minutes early to check in at the front desk.

Dress Code

The CDSE standard for dress and appearance is business casual. Khaki slacks and polo shirts are acceptable; apparel such as tank tops, sorts, sweat suits, tennis shoes, or jeans are not acceptable. Civilian attire is preferred for military personnel. Please remember to bring a jacket as our heating and cooling system is temperamental.

ID Badges

Badges for students are issued at the reception desk or in the classroom, and badges for guests and visitors are issued at the reception desk.

Attendance

Students are expected to attend all scheduled sessions on time. Contact the course manager as soon as possible regarding absences from class. Absences may result in a course incompletion or failure.

Internet Access

Computers are available in the Student Resource Center. Password information is located at the computer stations. Please note that WiFi is not available in the building.

CDSE Telephone/Fax

CDSE Front Desk:
(410) 689-1290

Fax machines:
(410) 865-3182 – CDSE
(410) 865-2719 – Registrar’s Office
**Smoking Areas**

The only designated smoking area for the building is the outside break area with the picnic tables (on the Winterson Road end of the building).

**Lost and Found**

The reception desk in the CDSE lobby, serves as the Lost and Found for the CDSE. Please contact the receptionist at (410) 865-3113/3114 if something is lost or found.

**Medical Problems/Emergencies**

There are several first aid kits located throughout the CDSE building. A defibrillator is located at the Front Desk in the lobby. Students will fill out an emergency contact form in the classroom.

**Inclement Weather/Emergency Closures**

As we prepare for inclement weather, CDSE’s top priority is your safety.

CDSE will NO LONGER use the inclement weather lines (CDSE staff/student) to post the status of any weather related events. CDSE is currently following Ft. Meade for all weather related status reports.

Ft Meade Weather conditions are posted by 0500 am each day.

Weather status announcements will be posted on the Ft. Meade Facebook and Twitter accounts or you can sign up for free text alerts by downloading the Fort George G. Meade app from any app store for all weather and base alert notifications.

You can also check the Ft. Meade status by calling 301-677-6323, or visiting the Ft. Meade website: [www.ftmeade.army.mil](http://www.ftmeade.army.mil).

If the weather event is currently active, the status may change from a delay to a closing so you may want to periodically check the site for updates.

When the CDSE facility is closed due to a weather event, employees, contractors and students are not to report.

When there are delays civilians/contractors/students are not allowed in the facility until the designated time. This is to allow the management company sufficient time to clean the parking lots and sidewalks.

Please keep in mind that the facility core hours are 0800 - 1630 and that all delays are based on the core opening time of 0800 hrs.
Comments/Concerns/Complaints

The CDSE wants students to be successful and enjoy their learning experiences. While attending any CDSE course, students are encouraged to share comments, concerns, complaints, or grievances directly with the course instructor. Should the concern involve an instructor, students should contact the CDSE at dss.ncr.dss-cdse.mbx.cdse-front-office@mail.mil.

If that process is pursued without satisfaction, students may write or call the Commission of the Council on Occupational Education, 7840 Roswell Rd., Building 300, Suite 325, Atlanta, GA 30350, or call (770) 396-3898 or (800) 917-2081.

CDSE Food Facilities

The first floor Cantina / Break Room offers ample seating, several microwaves, a refrigerator, vending machines with sodas, hot beverages, and snacks, a television, and several telephones.

Local Attractions

Baltimore Inner Harbor (approximately 16 minutes from CDSE)

Baltimore’s Inner Harbor is one of the most photographed and visited areas of the city. It has been one of the major seaports in the United States since the 1700s and started blossoming into the cultural center of Baltimore in the 1970s.

Distinct in function and form, locals and visitors enjoy the Inner Harbor and its surrounding neighborhoods that offer a variety of fine dining, cultural experiences, and exciting nightlife.

From breath-taking panoramic views of the skyline from the Observation Level of the World Trade Center to the up-close and personal experiences of street performances happening spontaneously at the waterfront, Baltimore's Inner Harbor offers a variety of things to see and do.

Inner Harbor Restaurants

Elegant gourmet cuisine and ethnic foods from around the world and plenty of fresh seafood from Maryland’s Chesapeake Bay abound. Sample a taste of Baltimore at one of the many Inner Harbor restaurants.
