INSIDER THREAT JOB AID

Annual **Insider Threat Awareness** training is intended to increase awareness of potential threats to government resources and what we can do to protect against potential threats. An information campaign makes a wonderful supplement to annual training and can serve as a nonintrusive reinforcement of training and reminder of the need for vigilance. Below is an example of an annual campaign. Feel free to use the schedule as is or customize it to fit your organization. You can also peruse the [CDSE Insider Threat Toolkit](#) for plenty of other campaign resources.
