

Mod 3 Job Aid: Duration of Visits

Duration of Visits. The Company's Visitation Procedures must incorporate the following categories of Visits by duration and approval authority:

Visit	Explanation
One-time Visits	The GSC may approve Visitation Procedures regarding one-time visits defined as a visit for a single, short-term occasion (not to exceed 30 days) for a specified purpose.
Recurring Visits	The GSC may approve Visitation Procedures regarding recurring visits defined as intermittent, recurring Visits over a specified period of days, not to exceed in the aggregate 200 days in any one (1) year period for a specified purpose. Such Visits may be requested and approved as a group or individually as intermittent or recurring one-time Visits that together constitute a recurring Visit under this paragraph. All recurring Visits must be approved in writing in advance by DSS.
Extended Visits	The GSC may approve Visitation Procedures regarding extended Visits defined as a single Visit for an extended period of time, normally up to one (1) year for a specified purpose. Such visits may be requested and approved as a single Visit or as consecutive one-time Visits that together constitute an extended Visit under this paragraph. All extended Visits must be approved in writing in advance by DSS.
