NEW!!

Training Products

Courses

Training to keep security professionals updated on security policy and procedures, delivered online or in-person.

- **Counterintelligence Awareness and Reporting for DOD CI116.16**
  This updated course is designed to explain the role each individual has in counterintelligence. CI Awareness and Reporting summarizes the potential threats and collection methods used by Foreign Intelligence Entities (FIE), Potential Espionage Indicators (PIE), warning signs of terrorism, and reporting responsibilities. This update lists the reporting requirements for Anomalous Health Incidents (AHI). An Anomalous Health Incident is when one or more individuals may experience an unexplained sensory event coupled with physical symptoms. https://www.cdse.edu/Training/eLearning/CI116/
